CALAMUS KIDS PRESCHOOL

By: Tonya Lakin

Our preschoolers had a fantastic time on their recent field trip to the firehall! Our preschoolers got to see the giant fire trucks and the ambulance up close while learning all about community helpers. The absolute highlight of the day was getting to spray real water from the big fire hose! They also watched a firewoman dress up in her heavy fire gear, showing the children that firefighters are friendly faces who are here to keep us safe. It was a fun, interactive, and memorable adventure for our classroom!

LONGHORN PRIDE

Students visited businesses that donated to Longhorn Pride. Thanks to these awesome businesses, we are able to purchase Longhorn Pride Shirts every year for students and staff in the Elementary. This also provides many different opportunities for the students such as field trips and bringing authors in to talk to the students. We are so grateful to live in such an awesome community!
