The salary shall be paid in twelve (12) equal monthly payments commencing in July 2023 in accordance with the District's payment practices for professional staff members. The Board may increase the compensation as an amendment to the contract without the amendment's constituting a new contract or extending the contract term but it shall not reduce the compensation during the contract term except for just and sufficient cause as authorized by law;

Section 4. Professional Status. The Superintendent affirms that he is not under contract with another school board or board of education covering any part of the term of this Contract. Throughout the term, he will hold a valid certificate to act as a superintendent of schools in the State of Nebraska, which he will register in the central office of the District as required by law. This contract shall not be valid and the Board will not compensate the Superintendent for any service performed prior to the date that he registers his certificate.

Section 5. Duties. The Superintendent shall be responsible for the administration and operation of the instruction and business affairs of the District. He shall devote his entire time, skills, and effort to the performance of his duties and shall undertake and perform them in an efficient and businesslike manner in accordance with Section CEB GENERAL ADMINISTRATION of the Board Policy

Manual as well as other Board policies and directives, the rules and regulations of the Nebraska Department of Education, and state and federal law. He shall not engage in any other business, profession or occupation without the Board's prior written consent. By agreement with the Board, he may undertake consultative work, speaking engagements, writing, lecturing, or other professional duties and obligations as long as they do not interfere with carrying out his duties and obligations to the District.

With advisory assistance from the Board, the Superintendent is authorized to organize, reorganize, and arrange the Administrative and Supervisory staff in a manner which he judges to best serve the school district. The administration of instruction and business affairs are lodged with the Superintendent and administered by him with the assistance of his staff. Section 7. Fringe Benefits. Except as otherwise provided herein, the Superintendent is eligible to receive all benefits provided to all other certificated employees of the District, including participation in an I.R.S. Section 125 Plan. The superintendent may choose to take the appropriate insurance as provided to the teachers or receive the In-Lieu of insurance dollar amount that is also provided to the teachers.

Section 9. Sick Leave. The Superintendent shall carry over the sick leave days he accumulated during his employment as principal. Beginning with the 2021-2022 contract year, the Board will grant him ten (10) days of sick leave per year which may accumulate to a maximum of thirty (30) days. For the purpose of this section, the term "working days" will not include any Saturday, Sunday, school holiday or legal holiday. The Superintendent shall not be entitled to any compensation for unused sick leave upon the conclusion of his employment.

Section 10. Bereavement Leave. The Superintendent shall be allowed sufficient bereavement leave days as may be arranged in conference between the Superintendent and President of the Board.

Section 11. Disability. If the Superintendent is unable to perform his duties by reason of illness, accident or other disability beyond his control, and the disability continues for more than three (3) months, or if the disability is permanent, irreparable, or of such a nature as to make performance of his duties impossible, the Board may initiate action to cancel this contract, whereupon the respective rights, duties and obligations of the parties hereunder shall terminate, with the exception of any benefits to be paid to the Superintendent under any insurance coverage furnished by the District.

Section 12. Absence of Five or More Days. If the Superintendent is absent for more than five consecutive days because of illness or injury, the Board may require him to provide a doctor's certificate confirming that his absence was a reasonable and necessary consequence of his illness or injury. If he qualifies for disability pay under the long-term disability policy, he shall be required to take the disability pay instead of sick leave pay.

Section 13. Vacation. The Board shall provide him with up to twenty (20) vacation days for the 2023-24 contract year to bring his total of accumulated days to a maximum of twenty (20) days. Vacation days are intended to be used when his absence will cause the least inconvenience to the normal operation of the District. Each year the Board shall provide the Superintendent with up to twenty vacation (20) days to bring his total accumulation up to twenty (20) days. The Superintendent shall develop a system for recording his use of vacation days and shall keep such records current and on file in the district's central office. Annually, at the Board's regularly scheduled August meeting, and at other times upon the Board's request, the Superintendent shall report to the Board on the number of vacation days he has used. The Board may require the Superintendent to use his vacation days and shall compensate the Superintendent for unused vacation leave upon the conclusion of his employment.

The Board may evaluate the Superintendent more frequently when it determines in its sole discretion that more frequent evaluations are appropriate. The Superintendent shall remind the Board members in writing at least 45 days before the date of each upcoming evaluation and provide them with the written evaluation instrument to be used. The Board shall put its evaluations in writing and discuss them with the Superintendent. He shall sign each evaluation to acknowledge receipt of it, and a fully signed copy of each evaluation shall become part of his personnel file.

Section 16. Physical or Mental Examination. The Board may require the Superintendent to undergo a physical or mental examination by a physician and/or psychologist of the Board's choosing. In deference to the requirements of the Americans with Disabilities Act and HIPAA, the physician's report to the Board shall address whether the Superintendent is able to perform the "essential functions" of his position.

Section 17. Legal Actions. The Board will support the Superintendent if there is a legal dispute caused by his carrying out his duties in good faith. If a legal action, including a professional practice complaint, is threatened or filed against the Superintendent as a result of his performance of his duties or his position as superintendent of the District, the Board will provide him with a legal defense to the maximum extent permitted by law so long as he acted in good faith and in a manner which he reasonably believed to be in or not opposed to the District's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was unlawful.

Section 18. Amendment or Nonrenewal of the Contract. If the Board determines that it is appropriate to consider the amendment or nonrenewal of this contract, it shall notify the Superintendent of its intention in writing on or before the November board meeting of the last year of the contract term and shall comply with the applicable statutory procedures. If the Board does not give such notice, the contract shall be extended by one (1) contract year from the end of its stated term.

The procedures for cancellation or mid-term amendment of this contract shall be in accordance with state statutes.

Section 20. No Penalty for Release or Resignation. There shall not be a penalty for the Superintendent's release or resignation from this contract; provided that no offer to resign shall become effective before the expiration of the contract unless the Board accepts the resignation and fixes the date at which it shall take effect.

Section 21. Compensation upon Termination. Upon lawful termination of this contract for any reason, the compensation to be paid hereunder shall be an amount which bears the same ratio to the annual salary specified as the number of months or fraction thereof to the date of such termination bears to the 12 months in the annual salary period in which termination occurs. The Superintendent shall refund any portion of the salary he was paid but had not earned prior to the date of termination of this contract.
